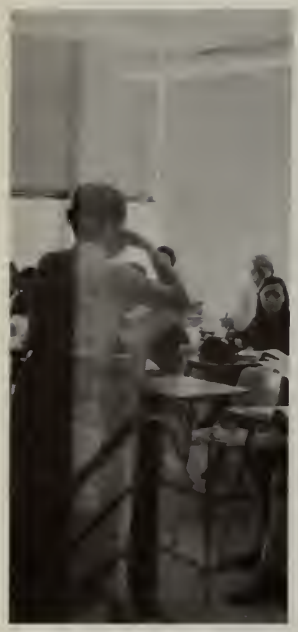
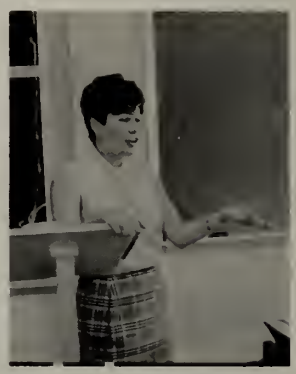
BILLERICA





Zestful, enthusiastic, patient, and dedicated are not emphatic enough to describe our class advisor, Mrs. Breen. During the last four years, she has given more time and effort for which she could never be repaid. Each of us in the Senior Class has many pleasant memories which we never would have had if it weren't for Mrs. Breen.

Mrs. Breen, by letting each of us take part in the activities over the last four years, you have helped us to mature in many ways, for this we are grateful.

There is one idea that is very clear, that a class' success and enjoyment depend on one thing and that is its advisor's inspiration.

For all these things, we thank you. Our only way of expressing it, is to dedicate this book to you, Mrs. Breen.

CLASS HISTORY

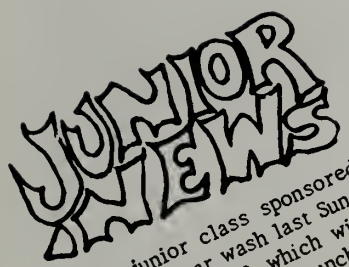
Four score and several exams ago, 350 lowly freshmen brought forth upon this high school a new regime: the Class of 1970, conceived in one-way corridors and dedicated to the proposition that all members should grow up.

In the beginning of this new era of history, the class offices were dominated by the female of the species. Nancy McMenimen, Sandy Manning, Debra Porter, and Jill Collier, as the first administrators, successfully ran a Christmas bazaar, and a Freshman-Sophomore dance.

The Sophomore year brought the start of class spirit, as full of spirits, Bob Gamble, was elected to the office of Vice-President. The population of the school also increased as over 5,000 people voted for Bob. One of the major acts of the year by the school board was to seriously consider closing the school after the swollen Concord River had risen to reclaim the front door. Even the flood waters though, could not dampen the new journalistic fire that arose in B.M.H.S. as *Impact!*, "the newspaper for all the students, published by a few students, and despite many students," began to be published weekly.

In June of '68, the computer age came to Billerica with the installation of an I.B.M. 1130 in the Data Processing Room. Billerica became one of the first high schools in the country to have a computing system for the students.

As we entered Billerica High Sept., 1966 we were slightly *square!*



The junior class sponsored a successful car wash last Sunday. We made $33.00 which will be used to pay for the punch urns for the Junior Prom. Those lending their time included President Fred Wiroll, Secretary Jill Collier, Treasurer Jeanne Caterino, Reg Conlon, Denise Noonan, Loretta Walsh, Pam Grady, Janice White, Cathy Shipione, Phil Smith, Dave White, Jim Todd, Ed Minishak, Steve Reid and Dave Flanagan. Mrs. Breen wishes to thank all these students for their support.

Our junior class this year plans to be very active. Let's have a lot of support. If you have any unusual fund-raising ideas, give them to any of the officers, homeroom representatives or Mrs. Breen.

Fritzi Wirrol's election to class president, and Jean Caterino's to treasurer started the first upperclass year. Besides shiny, new class rings, the Junior year brought with it: The coke concession at the basketball games, lollipop sales, car washes, and a Paraplegic Basketball Game.

THANKS!

Mrs. Breen and the Junior Class Officers would like to thank the Drill Team, Band members, Junior Cheerleaders Janie Harold, Gail Fanning, Lillian Healey, and Vicki Lafferty, all Homeroom representatives, and members of the Class of 1970 who helped to make the Paraplegic Basketball game such a tremendous success.

In turn the Junior Class feels they owe a debt of gratitude to their hardworking Class Officers, President Fred Wiroll, Vice President Bob Gamble, Secretary Jill Collier, and Treasurer Jeanne Caterino, and especially to their dedicated Class Advisor Mrs. Breen, who has devoted so much of her team to help the class. Again, thanks to all!

Coach Whitley and the football team, after a winless season, defeated Celmsford in the annual Thanksgiving Day Game. "Mr. Pushup", Coach McLaughlin, not to be outdone, led his Indian baseball team to a landslide victory over the Merrimac Valley and then into the state tourney.

Every Junior year brings with it a Junior Prom. Plans were made to rent Kemp's on the turnpike and hire the Tiajuana Cockroach Quartet for the big night. Unfortunately, the class voted against the suggestion by Mrs. Breen, the advisor, and decided to move "This Side of Heaven" to the Andover Country Club.

JUNIOR NEWS

On October 10, the Juniors received their class rings. The people who ordered their rings will probably receive them around Christmas.

The homeroom representatives are: Jody Berry - M56; Jeanne Caterino and Dane Clark - M57; Jill Collier - M58; Lorraine Garant and James Gagnon - M61; Pam Grady - M62; Kathy Hogan - M63; Peter McConnell - M64; Priscilla Meehan - M65; Susan Parsons and William Nobles - M66; Joseph Salemi and George Roberts - M86; Philip Smith and Lance Smith - M87; Loretta Walsh and Kenneth Williams - M88. It's up to the representatives to urge the students to pay their dues. However, it's up to the students to pay them. So pay them!

Billerica's sports teams all made fine showings, as Mr. Samson's Cross Country Team had another undefeated season and Mr. James' basketball team won the Merrimack Valley Championship. The cheerleaders also brought glory to the school as they won the Merrimack Valley Cheering Competition.

The Senior Prom will always be a fond memory as everyone will remember blending in with a snow bank in a white tuxedo. As always, Senior year closes with tradition: The Senior Class Play, Class Night, and, of course, Graduation.

The seniors of B.M.H.S. have arrived at that time of meditation; looking back on old friends and familiar surroundings,

and looking forward to a new life. They will not and can not leave B.M.H.S. behind, for it will always exist in a memory. Nor can the teachers and administrators of B.M.H.S., ever forget the Class of '70, no matter how hard they try.

The induction of the new N.H.S. members in May was a relief after much waiting by the students. Their big responsibility for the rest of the year was to try not to lose their tiny little pins. May also brought with it another flood in the M-corridor as a pipe broke and the roof started leaking. The water was helpful in putting out the many fires caused by the school's former "literary" magazine, *Reflections*.

When school opened in September of '69, N.A.S.A., was busily working on putting more men on the moon. Billerica, meanwhile, was trying to get school buses around the town. The school board was also busy, making plans for new schools. How they were going to transport the students to the schools was to be a problem for the next generation. Money was also a concern of the re-elected class officers as they organized projects to build up the class treasury. They sponsored the Harlem Diplomat Game, the Senior Spaghetti Supper, pennant sales, lollipop sales, candy bar sales, more lollipop sales, more candy bar sales and more lollipop sales. (It was suggested that Mr. Breen and Miss Buckley had a side deal going with the town's dentists.) The purpose of all this money raising was to purchase the class gift.

CROSS- COUNTRY

The Varsity Cross-Country Team with only three returning veterans from last year's championship team again was molded into another championship unit in winning the Merrimack Valley League Championship and the Championship Meet.

Senior Co-Capt. Andy Micozzi and Junior Co-Capt. Pete Anderson led the team to their second straight undefeated season. The Varsity record was 11 and 0. This team continued their winning streak of 23 victories without a loss over a span of two years.

The Junior Varsity also enjoyed a successful season losing their opener to Masconomet and going undefeated the rest of the year. They had a record of 9 wins and 1 loss. They also captured the Junior Varsity League Championship and the Championship Meet.

"Beaver"

The symbol which the Warrior staff is making, signifies peace. Those that contributed to the 1970 Warrior, hope that there is as much peace after the publication date as there was the day before. We have attempted to offend no one. We do wish to thank those who have put up with us over the last year. Especially, Mr. James Bleiler, and Joseph Donovan, for their patience, also teachers of Billerica High, who have put up with our advisor, "The Beaver."

We that did contribute, accept all responsibility.
